Friendly Reminder ~ your membership has expired!

2 Board Vacancies Available for Nomination by Membership

FNESS would like to say thank-you for your support last year. Please consider contributing to the future of First Nations again this year, by sending us a completed membership renewal form and payment.

YOUR MEMBERSHIP IS IMPORTANT!

Only with the support of First Nations communities and organizations, our members and our staff can FNESS hope to make a difference with regard to safety in First Nations Communities. It takes considerable commitment and resolve from FNESS and everyone in planning toward improving and maintaining safety. We all want to see thriving, self-sustaining and resilient First Nation Communities. To that end, we must remember and prioritize safety. We encourage you to become a FNESS member.

Your membership has positive, far reaching effect on all First Nation communities throughout British Columbia. As a member of FNESS you will contribute to the growth of all BC First Nation communities, including your own, by sharing your ideas, identifying challenges, developing new skills and strategies, and establishing resource and support networks.

These are three types of members: general, honorary and associate members. Every member's input is important, valued and welcomed! Memberships cost \$15 per year and run from January 1 to December 31 each year. A membership purchased after October 1st will be considered payment for the upcoming year. If you would like to become a member of FNESS, please complete the membership application and mail it, along with the \$15 membership fee to the address noted on the form.

Exciting Additional Note - In order to increase membership participation at the AGM this year, there will be enhanced video conference opportunities. This will be communicated out to ALL members in advance of the AGM. In-person attendance is not required this year. Stay tuned for more.....

You will make an impact in your own community and will support FNESS and its programs by becoming a member of FNESS. You can make a difference, become a member!
