

INTRODUCING THE FIRST NATIONS' EMERGENCY SERVICES SOCIETY (FNESS) FIRESMART BC TEAM

The First Nations' Emergency Services Society (FNESS) and FireSmart BC work together to support First Nations in building wildfire resilient communities.

Every FireSmart journey is unique. Contact us for support with:

- Questions, feedback, or support on the FireSmart BC program
- Guidance on FireSmart BC resources and programming
- Assistance in accessing funding through programs such as the Community Resiliency Investment (CRI) or the FNESS-Indigenous Services Canada (ISC) On-reserve FireSmart Program, in collaboration with FNESS Mitigation Specialist/Liaisons
- Support for local FireSmart positions working with First Nations in BC
- FireSmart training and mentorship to FireSmart staff
- Engagement in FireSmart research initiatives, either conducted within a community or aimed at benefiting a community
